DECOVIEW® *Features:*

Australian Made
Decoview is proudly Australian owned, made and manufactured. We like to keep local jobs and contribute to Australia's economy.

Intruder Proof
One of the market's strongest security doors with our patented clip system, riveted fastening and 3mm aluminium sheet construction.

Triple Lock Option
Decoview security screens are available with a triple lock kit option for added security. You can rest assured with Decoview.

Colour Choices
Decoview security screens come in a huge spectrum of colours, which are specially formulated to withstand the harsh Australian conditions.

Corrosion Free
Superior pre-treatment of metals before assembly means lowest risk of corrosion of any security screen.

Patented
Decoview's innovative patented clip fit extrusion system is incredibly strong and allows a range of panel thicknesses.

Stunning Designs
Transform your entry into an architectural artwork. With an ever expanding range there will be something to suit everyone.

Flyscreen
Say goodbye to insects and bugs! Every Decoview door comes with fibreglass fly mesh as standard.
